** If there have been any changes in ownership or management, please let us know. The purpose of this is to ensure that corporations and PLLCs offering professional soil services meet the standards of NCGS 55B for corporations and NCGS 57C for PLLCs. Please send a list of all shareholders/members and the percent interest each holds in the company, including license status (ie, PE, PG, LSS etc). Similarly, we need confirmation that at least one LSS is a member of the company's board.

** If there have been no changes in ownership or management, simply let us know that everything remains the same
